

MINISTRY OF COMMUNICATIONS

Criteria / Procedure for Enrollment of Transport Companies to operate under International Transport Agreements

The following parameters have been set-forth by Ministry of Communications for allowing Transport Operators to operate vehicles under International Transport Agreements:

- i) The Transport Company should be registered under the Companies Ordinance with Securities and Exchange Commission of Pakistan (SECP)
- ii) The Company should either be member of Chambers of Commerce & Industry (CC&I) or Pakistan International Freight Forwarders Association (PIFFA) with valid membership certificate
- iii) The Company should hold an NTN from Federal Board of Revenue
- iv) Submission of attested documents including valid registration and vehicle fitness certificates
- v) The Company should have minimum five vehicles registered in the name of Transport Company or should have lease agreement with the owner of vehicle
